### And What Have You

By BOB CRAIG

Everyone that we have talked to, including the coaching staff, seemed very pleased with the effort put forth by the football team in their scrimmage against Seymour here last Friday. The top quality everyone seemed to notice was the spirit and the desire displayed by the teams.

While it is hard to tell too much from a scrimmage, we are convinced that it is going to be hard for the other five district teams to keep the Pipers in last place like the Reporter-News has predicted.

But their predictions, or anyone else's predictions for that matter, have never meant very much to us anyway. This is especially true of all of the preseason predictions. There are just too many factors that can change the whole course of a team's season for preseason predictions to be much more than a guessing game.

We will get another glimpse of the Pipers this Friday when they scrimmage Knox City, but it will be the following Friday when they open with Rotan before we will see the Pipers under full game conditions. This is when they will put it all together and we believe this is when they will look even more impressive than they do in their scrimmages.

It was our pleasure last Thursday evening to attend a barbecue supper at the new Fire Department cabin on the South Lake. This was the first official function held at the new cabin and also was the time to honor four volunteer firemen who have put in 20 years or more service with the department and are eligible for retirement.

The new cabin is something that all of the firemen can be very proud of. It not only is a very nice cabin but it is also located on one of the prettiest spots on the lake.

A great many of the firemen have worked some long hours in fixing up the cabin that was donated to the department by the Celotex Corp. The City Council voted last year to pay to have the cabin moved to the spot on the lake.

In some small way we hope that the cabin will serve as a fringe benefit for all the volunteers who give up so much each week that the rest of us

**FIREMEN'S GUEST CABIN** — The Hamlin Volunteer Fire Department's Guest Cabin located on the Hamlin South Lake was used for the first time Thursday evening as the firemen honored four of their members who are eligible for retirement. Honored at the barbecue supper were Lee Hastings, J. O. Murphree, Bill Thompson and Ed Branscum. Also honored were D. W. Cowan, Celotex plant manager, whose firm donated the building for the cabin.

## Sweetwater Man Purchases Mac's Super Market Here

Announcement is being made this week that Mac's Super Market has been purchased by Tere Lawrence. The only change in the present operation

### Field Day Set At Knox City Plant Center

A field day will be held September 13 at the Soil Conservation Service plant materials center at Knox City, State Conservationist Edward E. Thomas announced this week.

The center serves Texas and Oklahoma.

Livestockmen, seed dealers, sportsmen, and others interested in the search for improved plants are being invited to attend the field day.

Harvey Davis of Temple, executive director of the Texas State Soil and Water Conservation Board, will be the principal speaker.

New grasses, forbs, legumes and other plants under evaluation at the center will be discussed during the day. Some 1200 strains of 325 plants are being grown at the center.

### Two Charged With Forgery

Two young women were taken to Jones County Jail Saturday and held in lieu of bond on charges of check forgery.

Jerodine Sanders, 22 of Temple and Mrs. Eddie Mae Jeffrey, 21, of Hamlin were arrested Saturday morning by Hamlin Police Chief Ed Wheat. Charges were filed before Justice of the Peace Ernest Spraberry, Wheat said.

Wheat said the women allegedly cashed four checks in Hamlin and one in Haskell County. He said the checks were forged with the names of Cecil Sellers and Mack Sellers.

Three of the checks were for \$40, one for \$30 and one for \$20, Wheat said.

The local Police Department was assisted in the investigation by Jones County Sheriff Woodrow Simmons.

of the food store will be the change in name to Mac's Thrift-Tee.

Luther Haught will continue as manager and no changes in personnel will be made, Lawrence said. Buccaneer stamps will be continued, he added.

Mac's Super Market, owned by M. L. Steele of Spur, has been in operation some eight years after he bought the Safeway Store here.

The purchase became effective Monday.

Lawrence is a member of a well known family of grocery owners. His father and a brother, Jere, operate Piggly Wiggly stores in Winters and Clyde and the Thrift-Tee in Sweetwater.

The new owner is a graduate of Tarleton State College and at present is in a training program in Dallas. Plans for a formal opening will be announced later, he said.

### Police Dept. To Register Bicycles Here

The Hamlin Police Department is launching a drive to register all bicycles in Hamlin, according to Ed Wheat, chief. The purpose of the drive is to record the serial number or identifying mark of all the bicycles in Hamlin to help identify the items if stolen, Wheat said.

Service charge of \$1.00 will be assessed the bicycle owner for this service. Those desiring to have their bicycle listed in the Police file are urged to take their bicycles to the side door of the City Hall between 8 a.m. and 5 p.m. Mondays through Saturdays.

### Rainfall Totals

Rainfall here Saturday night was recorded as 1.22 inches according to Bill Rountree, official weather bureau recorder here. A shower Monday evening measured .07, he said.

## Pipers to Scrimmage At Knox City Friday

The Pied Piper football teams will take on the Knox City Greyhounds in their second scrimmage session Friday evening at Knox City, according to Coach David Bonds. The Freshmen and the Junior Varsity will divide time against the Knox City JV's starting at 6 p.m. with the varsity taking on the Knox City varsity at 7:30. The Pipers put on a crowd pleasing performance here Friday against the highly rated

### Booster Club To Meet at 7

The Pied Piper Booster Club, in their first meeting of the season here Monday evening, voted to change the club's meeting time to 7 p.m. each Monday, according to Kenneth Hertel, president.

Hertel said the change was made to allow the members time to get home and watch the Monday Night Pro Football game on television.

The booster club meets each Monday evening during the football season at the high school cafeteria.

Seymour Panthers as they outscored them 2-0 in the regular scrimmage and 5-3 in the goal line session. The Piper touchdowns came on a pass interception by Milton Jones and a "bomb" from quarterback Jones to split end Bill Cork.

The local freshmen outscored the visiting freshmen 1-0 and the local JV's played Seymour to a scoreless tie.

The Pipers came out of the scrimmage in good physical shape and Coach Bonds was well pleased with the efforts of his squad. He said he was impressed with the enthusiastic attitude of the boys and thought

that they looked fine overall. He said the team still has a lot to work on but they are coming along just fine.

The Pipers will open their regular season here Friday, Sept. 8, with Rotan. The seventh and eighth grade teams will open the season for the local teams with games here Thursday, Sept. 7 with Merkel. The first Freshmen and JV games will be at Rotan, Thursday, Sept. 21.

Season tickets to all of the Piper home games are still on sale at the high school, according to B.V. Newberry, high school principal. Tickets to the five home games are \$7.50, a 50-cent a game saving over the price charged at the gate.

## Waste Paper Drive Clears Nearly \$500

A total of \$493.60 has been received from the Waste Paper Drive since it was started April 5, says Mrs. L. C. Bonds, secretary of the Hamlin Board of Community Development, sponsors of the project.

The paper drive will continue, she said, and adds that proceeds will be used for recreational projects.

Of the money collected, \$111 went to youth activities and the balance went to aid the swimming pool, she said.

A trailer is parked behind the BCD office and all residents are asked to leave their paper for the drive there. Newspapers, magazines and other paper should be securely tied or boxed. No plastic or rags can be accepted.

The paper is carried each week to Celotex Corporation on Wednesday or Thursday where it is purchased at the current price.

## McCaulley Methodists Set Revival

A summer revival of the First United Methodist Church in McCaulley will begin Sunday and will continue through Sunday morning Sept. 10. Services will be at 6:30 p.m. on the first Sunday night, and the regular first Sunday Night singing will follow. Other night services will be at 8 p.m.

Speaker for the services will be the pastor, The Rev. Vernon Mayfield. Mr. Sandy Sipe will conduct the song services.

**VIEW OF THE LAKE** — This is a view of the South Lake from the Fire Department's Guest Cabin showing the landscaped shore line and the picnic tables. The volunteer firemen have been working on the cabin for the past year and fixed up the interior of the cabin, installed air conditioners, put in a water well and landscaped the grounds.

## School Night For Scouting Set Sept. 7

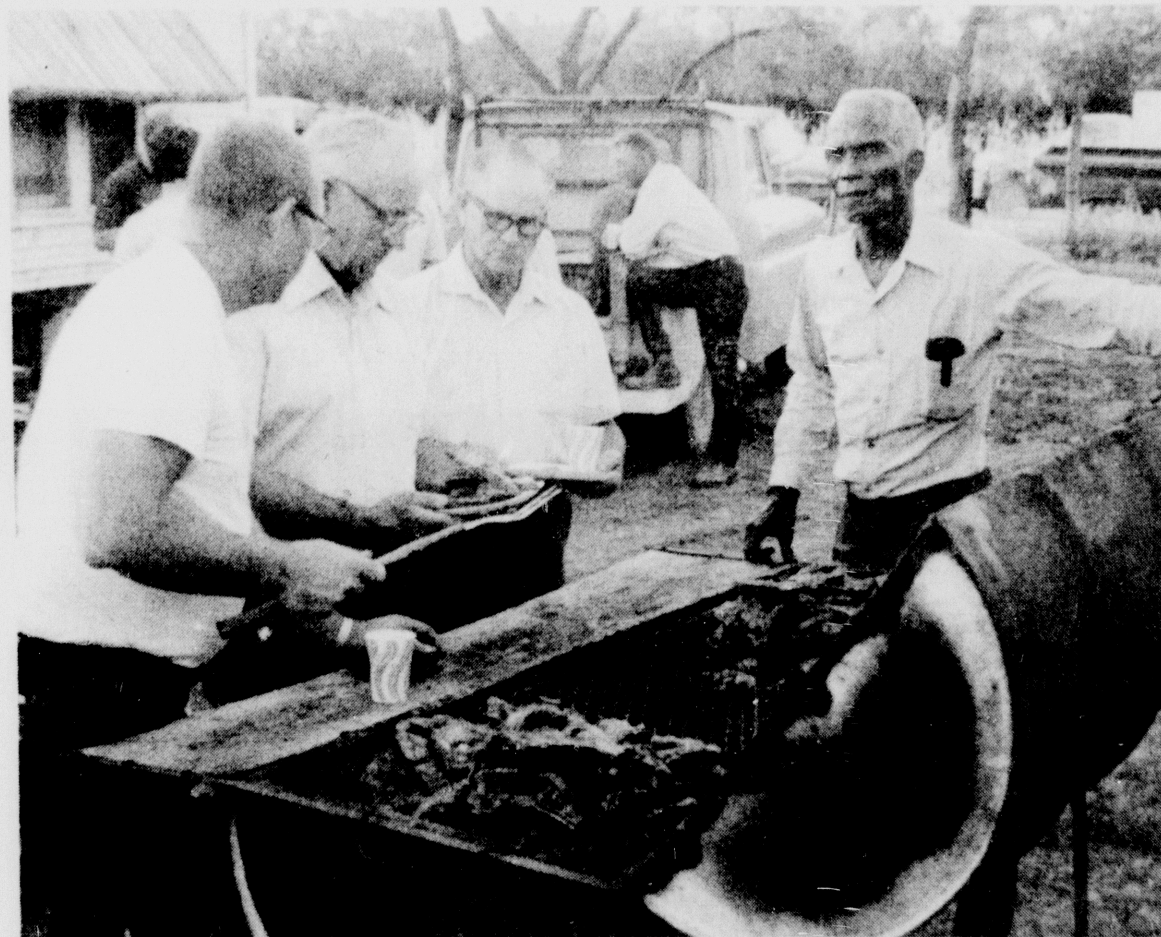

A "school night for scouting" will be held here at the primary school cafeteria at 7:30 p.m., Thursday, Sept. 7, with Bill Davis serving as School Night Coordinator. The event will be sponsored by the Boy Scouts of America, Chisholm Trail Council.

The school night will be programmed to provide information about scouting on all levels as well as provide a location for potential scouts and cub scouts to register in the scouting program.

Existing units and unit leaders will have available for display and comment specific information about their respective units in order to give newcomers additional information concerning the scouting program.

### HERALD TO BE CLOSED

The office of The Hamlin Herald will be closed Monday for Labor Day. All news and advertising copy should be in the office by 1 p.m. Tuesday.

**IS THAT ENOUGH?** — Ellis West, left, who cooked the barbecue, serves former Hamlin mayor, Hollis Madden, one of the steaks he cooked for the occasion while Bryant Conner waits in line. Looking on is Roosevelt Bolden who helped West with the cooking. Madden and other members and former members of the Hamlin City Council were also honored by the firemen for their part in making the guest cabin possible.

MRS. ROBERT BAILEY  
...formerly Reba Dale Carter

Carter, Bailey Marriage  
Vows Exchanged In Rotan

Reba Dale Carter, daughter of Mr. and Mrs. Horace Carter of Rotan, became the bride of Robert Bailey of Hamlin, Tuesday evening, Aug. 22, in the First Baptist Church of Rotan. The bridegroom is the son of Mrs. Anita Franklin of Odessa and the late Robert Bailey Jr. of Hamlin.

The Rev. Gil Lain, minister of youth at Jackson Avenue Baptist Church in Lovington, N. Mex., officiated.

The bride, presented in marriage by her father, wore a gown of sata-peau fashioned with high neckline, bishop sleeves, and empire waistline accented with lace. A deep border of lace at the hemline enhanced the A-line skirt. Her chapel length mantilla was edged in lace. She carried white glamelias and an orchid atop a white Bible.

Donna Gruben of Rotan was maid of honor. Matron of honor was Mrs. Robert Carter of Abilene, sister-in-law of the bride. Bridesmaids were Debbie Kiker of Houston, cousin of the bride, Luanne Womack of Rotan and Kellie Stewart of Odessa, sister of the bridegroom.

They wore blue floral flocked voile gowns fashioned with empire waist, scooped neck line and pink ribbon sashes. They wore blue picture hats with pink ribbon bows and each carried a long stemmed pink carnation.

Julie McQueen of Rotan, cousin of the bride, was flower girl. Ring bearer was Maury Gruben of Rotan.

J. F. Cadenhead of Haskell was best man. Mike Hamlin of Amarillo, Randy Perkins of Memphis, Tenn., Jerry Dempsey of Seagraves, and Robert Hale of Abilene were groomsmen.

Serving as ushers were Robert Carter of Abilene, brother of the bride, Terry M. Bailey of Hamlin, brother of the bridegroom, Frank Meyner of Hamlin and Mike Brown of Hamlin.

Candlelighters were Danny Baird of Abilene, Tony Panian of Joliet, Ill., Ken Lindsey of Brownfield, and Mike Peel of Abilene.

Soloists were Peggy Click of Lueders and Shizue Kaneko of Japan. The brass ensemble was Larry Jayore, Danny Hix, Terry Neal, Marilyn Stewart, Mike Herd, all of Hamlin, and Jim Cockburn of Rotan.

Organist was Barber Carter of Snyder, cousin of the bride. The wedding reception was held in Fellowship Hall.

The bride is a graduate of Rotan High School and a freshman at Hardin-Simmons University. The bridegroom is a graduate of Hamlin High School and is a senior music education student at Hardin-Simmons University. He is a member of the Cowboy Band and the University Concert Band. He is also a member of the Sigma Delta Sigma social club and is presently the minister of music and youth of the First Baptist Church of Lueders.

Following a wedding trip to New Orleans, La., the couple will live in Abilene where they will both attend H-SU.

The rehearsal dinner was held in Fellowship Hall of First Baptist Church hosted by the bridegroom's mother, Mrs. H. E. Franklin of Odessa.

Being With Children Highlights  
Trip to Swaziland for Nortons

by Tammy Hargrove

"The part I enjoyed most on our trip to Africa was in Swaziland because we were there with our children," commented Mrs. Norton. The Nortons have just returned from a three week visit with their son and his wife, Dr. and Mrs. Robert Norton.

The Reverend and Mrs. Joe Norton flew from Austin to New York then from New York on to Dakar, Africa. From Dakar they flew on to Johannesburg. They then went to Durban which is a big resort city and has the biggest harbor in Africa. According to Mrs. Norton, Durban's Indian Market had things ranging from "Hell's Fire Mother-in-Law's Curry Powder to exquisite ivory carvings." In Durban the Nortons visited the beach several times.

Durban has a large whaling market, a three story aquarium which had sharks and fish from the Indian Ocean, and the Japanese Gardens. Every Sunday afternoon in Durban the natives had a zulu dance. Judges watched the teams dance and chose the best team.

Next they visited Johannesburg where the Nazarene Bible College and the Nazarene Publishing House are located. The Nortons visited the gold mines there.

Swaziland has very poor people who live on corn meal mush, vegetables, tea and bread. They might have as many as 68 children in a room with one teacher who has the only book. "Personally I wouldn't care for teaching under these conditions," replied Mrs. Norton.

"We don't know why this was done, but we saw a small boy who had trouble with his ears so someone put safety pins in them," commented the Nortons.

In Swaziland, ritual murderings are still happening although it is against the law. Mrs. Norton gave an example: "A man in parliament wanted a potion from a witch doctor to enable him to hold his position and maybe advance him politically. A witch doctor told him to get certain items for the potion; among other things, the witch doctor told him he needed the heart of his own unborn child. So he just got some little native girl pregnant, killed her, and got the baby's heart. After this he burned the hut where he killed her. When he came to trial he was acquitted. The lawyer's evidence was that they couldn't tell whether the girl was dead before or after the fire."

"Also," explained Mrs. Norton, "not many years ago when a mother had twins, the first one was kept but the second was either killed or put out for the wild animals."

"The missionaries and white people have made a lot of headway," the couple noted.

Witch doctors can be recognized easily because they have red wax in their hair then it is twisted into strands. The women in Swaziland work all of the time and do all of the trading. The men don't do much. They used to hunt, but it's now against the law to shoot wild game. A few of them are learning to work in asbestos mines. The people are very friendly and are rather nice looking and intelligent.

The young women are getting away from the custom practiced by the older women when they married. The custom

practiced was when the women married they pulled their hair up on their head and put mud in it. When it dried, it was as hard as cement. Their hair stays like this for the rest of their lives.

The people who live in the "bush" (country) sleep on reed mats. Most of them are very poorly dressed but the ones that dress nicely like very colorful printed materials. Most of these people walk everywhere. At church there was an attendance of 96 and there was only one car, the Nortons'.

The churches in Swaziland are very nice. The Rev. Norton held four services one weekend. Both of the Nortons were very warmly welcomed. In church everyone was seated according to age. The youngest sat up front then on back to the oldest. Reverend Norton spoke through an interpreter. No musical instruments were there. "They didn't need them. Their voices were like organs," replied Mrs. Norton. The women were seated on one side of the church and the men on the other.

Mrs. Norton described Swaziland as a land of contrast. "There was a gambling casino in one city, then twenty miles away there might have been a ritual murdering."

The English in Swaziland was a little different. Some examples of the variations were: candy was called sweets, hot water heater called geyser, napkins - serviettes - windshield - windscreen, hood - bonnet, trunk-boat, and white people - Europeans.

Prices were high with cheap labor. Money was "rands" and

one rand equaled \$1.30. Chicken cost more than beef and the chicken tasted like fish. Tinned goods (canned goods) were bought in one store, meat was bought in the butchery, vegetables were bought in the green grocery, and bread was bought in the bakery.

In Manzini the Nortons went to the National Game Reserve which is 100 miles long and 50 miles wide. They saw giraffes, zebra, impala, water bucks, hippos, elephants.

The night before the Nortons left, they were in church and a robber broke into their son's house. All he got was about 10 rands. "It was real exciting. The police were uniquely dressed," commented Mrs. Norton.

"We really had a great time."

Bridge Winners

Mrs. W. O. Wilbanks and Mrs. Floyd Briscoe were first place winners at the Tuesday evening Hamlin Duplicate Bridge Club meeting.

Mrs. Preston Morrow of Rotan and Ray Sonnenburg were second and Mrs. Ray Sonnenburg and Mrs. G. W. Comegys were third.

Mr. and Mrs. Jose Zapata of Roby are parents of a girl, Jane Elizabeth, 7 lbs. 7 oz. born Aug. 21 at 11:15 a.m.

Mr. and Mrs. Emeterio (Terry) Ramos of Anson are parents of a girl, Teresa Ann, 6 lbs. 11 1/2 oz., born Aug. 23 at 10:28 a.m.

Mr. and Mrs. Frank Marion Parks are parents of a boy, Timothy Frank, 9 lbs. 3 oz. born Aug. 28 at 10:19 p.m.

Mr. and Mrs. Vernon Brinkley Tyler of Merkel are parents of a girl, Misti Michell, 7 lbs. 8 oz., born Aug. 29 at 6:45 a.m.

Visiting in the Bill Kelley home this past week was their daughter, Mrs. Kenneth (Bobbie) Bartelson, of Scottsdale, Arizona. Also visiting them over the weekend were Mr. and Mrs. Dick Kelley and children, Vicky, Jubie and Dennis Jack of Arlington and Mr. and Mrs. Pete Walker and family of Anson.

## FROM THE FILES . . .

### FORTY-THREE YEARS AGO (August 30, 1929)

It is very interesting to see the cream checks distributed on the streets each Saturday afternoon. They are not so large yet they represent a kind of a side line that goes to give cheer and hope to those who get them.

A few clouds have been floating around this week, however, the heat has been about as oppressive as it has been for the past sixty days. Thursday morning a light sprinkle fell, cooling but little good, except that the air would be cooled and the nights being longer the cotton would hold up better.

This week Alva R. Willgus of Ft. Worth, commissioner for the Lions Club International, has been in Hamlin in the interest of the Lions. He is not sure yet the required number will be secured, but indications are that a splendid organization will be secured.

The Acorn Store has a new manager this week, Mr. Delas Reeves of Denison. His family will join him in a few days. Mr. Reeves is a real dry goods man and has come as a real booster for Hamlin.

### TWENTY YEARS AGO (August 29, 1952)

Bids on the proposed pipe line from Stamford to Hamlin that will bring water from Stamford's new city lake to Hamlin's pump station near the Santa Fe depot are being called for by the City of Hamlin this week. Bids for the line will be opened and read at 2:00 o'clock on Tuesday, Sept. 16. If a bid is considered satisfactory, a contract will be made within 10 days of that date for construction of the water line.

Jones County cotton crops for 1952 are expected to establish an all-time low for the past 30 years, it is estimated by farmers, cotton buyers and business men, due to the drouth conditions that have prevailed. Less than 1,000 bales are expected to be ginned by the Hamlin gins, two of which are not expected to be operated this season. Of this estimated ginning a good portion will come from Fisher and Kent counties.

One hundred and eighty-seven high school students were registered here Monday and Tuesday of this week in pre-school sign-ups conducted at Hamlin High School. From 40 to 50 more high schoolers are expected to be registered by the time classes get down to business next Wednesday making an enrollment in the four classes about 225 for the start of the 1952-53 school session. This enrollment would be about 20 below last year's total of 245.

### TEN YEARS AGO (August 30, 1962)

Many firsts are being added to the Homecoming activities this year as the officers and other ex-students work long hours to get everything ready for the eighth annual event. This is the first year for a Saturday football game, ex-student directory and a parade. Also this year ex-students will be able to vote on their choice for the ex-student queen.

A planning session was conducted Monday afternoon in the Hamlin Board of Community Development office to discuss the administration of the Sabine oral polio vaccine here.

The Hamlin High School Band won the band division in the 17th Annual Fisher Co. Livestock and Rodeo Parade last Thursday in Roby.

A scrimmage between Hamlin and Colorado City will be held Friday at 7 p.m. followed by a watermelon feed sponsored by the Pied Piper Booster Club. The Friday night event will take place of the regular meeting which

was scheduled Sept. 3. There will be no meeting Monday.

Registration for the fall term of Hamlin schools was completed last week. All schools will open Sept. 4, 1962, at 8:30 a.m. Five new teachers have been employed for the new school year, according to C. F. Cook, superintendent.

### NEWS AND VIEWS . . .

## And What Have You

—Continued from page one

might have fire protection.

We all owe a great deal to these men who give so freely of their time. Not only do those who have a fire benefit from their time and efforts but all of us benefit through reduced fire insurance rates that would not be possible were it not for their attending meetings each week and fighting the numerous fires we have each year, both large and small.

One nice thing about the cabin is that not only will the firemen enjoy it but so will their families and this is important because without the cooperation of the families we would not have very many volunteers.

If you would like to become a part of this great organization and contribute your services to this community it would be greatly appreciated by both the members and the citizens of Hamlin. The Department needs more men and any member of the department would be glad to talk to you about joining.

Through some quick work by the bookkeeping department of the F & M National Bank and the Hamlin Police Department a pair of check forgers were stopped here last Friday before their haul became too great.

While five merchants were stuck with bad checks, the loss could have been much worse had the pair had the whole weekend to pass more checks. The first checks were cashed on Thursday and the rest were cashed on Friday.

Normally it would have been Monday before the bank would have spotted the forgeries which would have given the pair Friday afternoon and Saturday to continue their check cashing spree. But because of some alert work on the part of the bookkeepers at the bank, word was out on the bad checks Friday afternoon and the pair was picked up before they could pass anymore checks and get away.

As you probably noticed in last week's paper the school enrollment in Hamlin is down again this year. This is naturally causing some concern among school officials and others.

The first thought is that Hamlin just keeps getting smaller and smaller and to some degree this might be the cause of the declining enrollment. But after noticing so many other towns suffering the same fate we believe the declining size of families has more to do with fewer students in school.

One of the faster growing area towns is Breckenridge and yet their enrollment is down about 10 percent which would tend to support this conclusion.

Declining enrollment does make it harder and harder for school officials to offer a well balanced program and this is of major concern to them. But we would hope that the decline does not create a pessimistic attitude among our citizens as a whole.

While sometimes it is hard to remain optimistic, this is the only hope for a town to grow. A pessimistic attitude will not help create new jobs and new opportunities.

## SAFE AND SECURE

How confidently he sleeps. Mother and Daddy are in the next room. Teddy Bear is right beside him.

We, also, desire a feeling of confident security. We want to do good and live with honor in this life, free of the fear of falling into sin. God wants this for us, too. And He sees and knows how hard we try.

In the New Testament, Jude writes, "God is able to keep you from falling, and to present you faultless before the presence of His glory with exceeding joy."

Pledge yourself to Him and attend church this week.

**LOCAL PRODUCE** — These watermelons are not from Hope, Ark., DeLeon or Weatherford, but produced in the local "shinnery sand" at Boyds Chapel by W. H. Tabb of Route One, Hamlin. Mr. and Mrs. Tabb have grown large melons (many over 100 pounds) for the past 25 years, often taking prizes at the West Texas Fair in Abilene. The melons are sold locally at a "Brush Arbor" stand 13 miles west of Abilene.

## Wheat Allotments, Explanations Sent To County Producers by ASCS Office

Notices of 1973 wheat allotments and an official explanation of the 1973 wheat set-aside program have been mailed to producers in Jones County, according to J. Noel Weaver, Chairman of the County Agricultural Stabilization and Conservation (ASC) Committee.

All participants will set aside an acreage equal to 86 percent of their farm domestic allotment, will earn wheat certificate payments based on their domestic allotment, and will be eligible for Commodity Credit Corporation loans on wheat grown on participating farms.

An additional set-aside option also is offered, Mr. Weaver said. Contingent upon their 1972 wheat acreage, producers may set aside an additional acreage up to 150 percent of their domestic wheat allotment in return for a payment of 88 cents a bushel times established yield acres of additional set-aside.

A producer who accepts the additional set-aside option also agrees to limit his production of 1973 wheat. The limitation is determined by the formula: 1972 spring and winter wheat planted acreage on the farm plus any additional 1972 set-aside, minus the 1973 additional set-aside.

"The big point to make at this time is that a wheat grower in the 1973 wheat program can go one of two ways: One - maintain required set-aside and conserving base acreages with no limit on his wheat acreage. Two - maintain required set-aside.

Additional set-aside, and conserving base acreages and limit his wheat acreage," the ASC Committee Chairman said. "He should check with the County ASCS office for full details."

A number of important items are covered in the official explanation, including a reminder that 1973 is the year when a farmer who did not plant a program crop during the past two seasons can lose his allotment if he fails to plant for a third successive year.

Substitution provisions are spelled out. Soybeans, Corn,

grain sorghum, and barley may be substituted for wheat to preserve allotment history.

"Then, too, I want to remind producers that set-aside acreage - both the required and any additional set-aside - must be of the same average quality as the other cropland on the farm," Mr. Weaver said.

Producers may ask for set-aside inspection and measurement service from the County ASCS Office in order to assure themselves well ahead of time that set-aside land is acceptable. This service is offered at cost.

## Eagle's Beak

by Daniel Venavides and Randy Williams

The first week of school at McCauley started out with elections in each of the high school classes. Officers for the following school year are as follows:

Senior class — Debby Kiser, president; Eddie Gibson, vice president; Patricia Self, treasurer; Randy Williams, secretary; Daniel Benavides, Reporter; James Griffin, parliamentarian; and Mrs. Encke, Sponsor.

Junior class — Johnny Perales, president; James Spalding, vice president; Phillip Cleveland, treasurer; Jana Jeffrey, secretary; and Mr. Ruteledge, sponsor.

Sophomore class — Ronnie Kiser, president; Beverly Griffin, vice president; Tony Garcia, reporter; Tiny Smart, secretary; Aletta Hawthorne, treasurer; and Mr. Kerry Green sponsor.

Freshman class — Glenn Pippin, president; Alton Hawthorne, vice president; Sylvia Benavides, reporter; Winnie Hooper, secretary; and Mrs. Edna Thompson, sponsor.

The Future Farmers of America Chapter of McCauley had their first meeting last Tuesday and elected the following boys for chapter officers:

Daniel Benavides, president; Phillip Cleveland, vice president; Eddie Gibson, secretary; Billy Baker, treasurer; James Spalding, Sentenil; Randy Williams, reporter; and Mr. Larry Ruteledge, advisor.

The members also elected Jana Jeffrey for the Chapter Sweetheart and chose to go back to the Possum Kingdom Lake to the Bobby Holden FFA camp on the annual trip they take each year.

Coach for the 72 football season is Coach Kerry Green. Rupert Compton is assisting him this year. The Eagles will be led by the four returning Senior Captains, Eddie Gibson, James Griffin, Daniel Benavides, and Randy Williams. The other players trying to help the Eagles to a district championship are, James Spalding, Larry Marshall Jr., Tommy Moore, Johnnie Perales, all juniors. Sophomores are Ronnie Kiser, Tony Garcia. Freshman for the Eagles are Alex Perales, Alton Hawthorne and Ronnie Williams.

The cheerleading will be led by head cheerleader Jana Jeffrey. The other cheerleaders are Debby Kiser and Beverly Griffin. Twirlers are Tiny Smart, Suzanne Cook, and Mary Perales.

The pep squad will have a hot dog supper Sept. 2, from 6 o'clock to 8 o'clock. Price is 75 cents for one ticket. Homemade ice cream for 10 cents a dip will also be served.

The Eagles will scrimmage the Marathon Mustangs at Big Lake Thursday at 5 o'clock.

## Neinda Philosopher Comes With Idea for Holding Future Political Conventions

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route one has some reflections on national political conventions this week.

Dear editor:

The trouble with politicians is that they frequently are too far behind the people.

Take the national conventions. Everybody knew there were going to be demonstrations outside the hall in Miami Beach, had known it for four years, and while there's nothing like a televised confrontation outside the hall to

break the monotony of a roll call vote inside, the costs of controlling such things are getting out of hand.

As I understand it, it costs the city of Miami Beach at least two million dollars just to provide all the extra police protection, not to mention the cost of hauling in all those buses to form barricades, and with many stores boarded up and closed and hometown people afraid to venture out, it's almost impossible to make a profit out of a convention any more.

But since there seems to be no way around holding one and since any city hereafter is going

to think twice before letting one in, and I certainly don't want one held out here on this farm, the thing for the politicians to do is build a permanent convention hall recognizing the facts of life.

Build it, before all states pass zoning laws against it, out on a prairie somewhere, but underground, with fifty-mile-long tunnels leading to it from all directions. Once inside, a delegate couldn't come out till somebody was nominated.

With some of the tunnels only decoys, so a few policemen dressed up to look like delegates could roar in by car, circle around and come out another

## Get Tax Break for Child Care

(Dallas, Texas)—Employed taxpayers with child care expenses may get a bigger tax break in 1972 according to W. T. Coppinger, District Director of Internal Revenue for northern Texas.

The Revenue Act of 1971 has greatly liberalized the deduction for the care of children, disabled dependents and disabled spouses. Beginning in 1972, taxpayers with adjusted gross incomes of \$18,000 or less may be able to deduct up to \$400 per month for household and dependent care expenses. The deduction is reduced 50 cents for each dollar of income over \$18,000. For example, a taxpayer with an adjusted gross income of \$20,000 would be limited to \$3,800 (the maximum annual deduction of \$4,800 less one-half of \$2,000).

To qualify, a taxpayer must be employed and provide over one-half the cost of maintaining a household for a dependent child under 15, a disabled dependent of any age, or a disabled spouse.

For the first time household expenses incurred to permit the taxpayer to be gainfully employed may also be deducted. For example, amounts paid for the services of a maid, cook or other domestic help can qualify.

Expenses incurred outside the home for the care of a child under 15 (as, for example, in a day care center) may also qualify. However, expenses outside the home are limited to \$200 a month for one child, \$300 for two children or \$400 for three or more children. However, these expenses shall not include educational expenses incurred for a child in the first or higher grade.

If a deduction is claimed for the care of a disabled dependent, the deduction must be reduced by the amount by which the total of the dependent's adjusted gross income and any non-taxable disability payments he receives exceeds \$750. In the case of a disabled spouse, the expenses must be reduced by non-taxable disability payments.

As under the old law, a deduction may not be taken for payments to anyone who could be your dependent.

exit out there on the prairie, demonstrators would be hard pressed to make much of a scene. Oh, it'd be all right for one of the cars now and then to slow down long enough for somebody to stick an ice pick in a tire, and just to keep in the spirit of the thing the tires could be filled with tear gas. The networks are entitled to some consideration in holding up their ratings.

If they're going to continue to hold conventions, politicians have got to wake up to the times we're living in. Everybody except them knows it's no longer practical to hold one out in the open.

Yours faithfully,  
J. A.

## NEWS FROM . . .

## Sylvester

by Mrs. R. M. Babb

We have had one inch of rain while others south and east of town have had as much as three inches. Cloudy just now and more rain is promised.

Mrs. Jeffie Williams and Jackie are here from Dallas. I understand Mrs. Williams will remain and do some teaching. Jackie is returning to continue his studies at Bishop College in Dallas.

Mrs. Elsie Moffett and son, Bill, have driven that new Nova Chevrolet to Weatherford to visit with her daughters.

I talked to Mrs. Raymond Kiser and she tells me her son, Gary, will be stationed in Ft. Leonard Wood, Mo., in the National Guard for some six months.

Visiting with their father, Edgar Smith, one day last week were Mrs. Dorothy White and son of Amarillo, Mrs. Raymond Wood and grandson of Midland and Mrs. Lorena Pursley of Abilene.

Mrs. Ethelena McElyea of Breckenridge visited with her parents, Mr. and Mrs. Loys Smith recently.

Mr. and Mrs. Ross Douglass spent several days recently in Las Vegas, Nev.

Mr. and Mrs. Albert Maberry spent some time in Mexico just across from El Paso.

Mr. and Mrs. Arthur Maberry of Palo Pinto visited in the homes of their parents, Mr. and Mrs. Albert Maberry and Mr. and Mrs. Melvin Thompson. Danna is teaching in Palo Pinto.

Mr. and Mrs. Buddy Williams and one daughter of Irving drove out and spent most of last week visiting his mother, Gladys Williams. He is doing fine, he walks and does most anything anyone else can do. It has been a long hard fight but I believe he has it under control.

Mr. and Mrs. W. B. Brown attended the Larry Wood Revival in Sweetwater last Friday night.

Mrs. Della Maberry of Era has been here visiting her sisters and one brother, Mrs. Docie McCain, Mrs. Neda Kiser and Milo Gray.

Mrs. Ruth Brown and Merrena Babb attended the Postal Meeting in Abilene Saturday night.

I lost count of the many, many ribbons that Vanessa Hardwick won at the Fisher County Fair. We are very proud of her.

Many of our citizens attended and enjoyed the Fair over last weekend.

weekend in Abilene with her daughter, Mrs. John Hensley. By the way, the Thurman Douglass' have a new Chevrolet, pretty brown and cream colored!

Mutt Early is driving a new red and white Ford pickup.

nice!

The W. B. Brown's shopped in Abilene on Saturday afternoon and ate out, to celebrate Mrs. Brown's birthday.

Mrs. Ross Boyd of Hamlin is doing real well after surgery at Hendrick Hospital last week. She is the sister of our Gladys Williams.

I understand there were several more birthdays last week; Artie Smith, Clyde and Ronnie Pursley. We wish each many more.

School started this morning in most of the area schools. It doesn't seem possible that it is almost fall again. I have been trying to decide why time gets

by me so fast!!

We have regards to every one from Mrs. Bob (Aunt Mary) Jones of Merkel. We stopped by to say "Hello" last week and found her doing real well.

Mrs. Maggie Wilder of Dallas, Mrs. Ruth Barnes of Abilene, Mrs. Knox and Mrs. Barnes of Roby visited Myrtie Edwards, Mrs. Walker, Mrs. Modell Kiser and Mrs. Ella Scott in Holiday Lodge in Hamlin last week.

Mrs. Nancy Boren visited relatives in Corpus Christi last week.

By the way, have any of you been out to the Sylvester Cemetery lately? If not, and you have relatives buried out there,

why not go out and help Milo clean up. It is a big job, because some of that grass is waist high.

Visiting Mr. and Mrs. Roy Smith were their children and their families, Mr. and Mrs. William Melton and children of Broken Arrow, Okla., Mrs. Frank Alexander and children of West, Mr. and Mrs. Pete Valentino of De Land, Fla., Roy Smith Jr. of Huntsville, Mr. and Mrs. Raymond Smith and daughter, Mr. and Mrs. Jerry O'Rear and children, all of Waco, and Mr. and Mrs. Robert Smith and son of Abilene.

Mr. and Mrs. Russell Kidd

Jr., and their daughter, Andrea, and Miss Lynda Smith have returned to their homes in Greensboro, N. C. after spending several days with Mr. Kidd's parents, Mr. and Mrs. R. E. Kidd of Sylvester. During their visit they attended the senior Mrs. Kidd's annual family reunion in Belton Aug. 19-20.
